

Pemberton Community Library's Reading Buddy Program

**Want to have some fun while reading with a new friend?
Want to sharpen those reading skills?
Want to earn volunteer hours?
Sign up for the Reading Buddies Program!**

Volunteers are needed, so if you're between the ages of 10-18 and are interested in earning volunteer hours, please fill out the *Teen Volunteer Starter Application* on the back and return it to the library.

The Reading Buddies Program is designed to encourage reading and build self-esteem. Children in grades K-3 can sign up to be paired with an eager volunteer for hourly sessions at the library.

Children interested in having a Reading Buddy can fill out the *Reader Starter Application* on the back.
